

2019 DAVIS INVITATIONAL ACCEPTED ENTRIES

Accepted entries are posted below. We had over 4,000 entries this year! That makes for a very competitive meet but it means we unfortunately have to turn away many athletes. Alternates are listed for all the events. If you have an athlete that is listed as an alternate I will contact you as spots become open. If I don't hear back from you I will move to the next athlete on the list. If you happen to have any athletes that are alternates that are not planning on competing you can send them to me as scratches.

All scratches are due on Wednesday at 8:00 pm. Please email all scratches to DavisInvitational@gmail.com In the subject line please put your schools name, it will make it much easier to find your scratches. If you have any questions you can email me at DavisInvitational@gmail.com thank you for all your patience with me as I put this meet together.
